Re: United States v. Jossi Castro  
Case No. 23 Cr. 99 (LJL)

Dear Judge Liman:

Jossi Castro's conditions of pretrial release include curfew, electronic monitoring, and travel restricted to the SDNY and EDNY. He has been fully compliant with his release conditions. In addition, he has pled to a guilty to a fraud charge instead of the racketeering, which significantly reduces his prison exposure.

I request modification of Mr. Castro's conditions, removing curfew and electronic monitoring. Pretrial Services, by Officer Ashley Cosme, consents to this request. The Government, by AUSA Elizabeth Espinosa, defers to Pretrial Services.

Respectfully submitted,

/s/ Stephen Turano  
Stephen Turano, Esq.
